Subject: Winter Get-Together - February 28, 1975

Response to the first letter was favorable - hence, a get-together seems feasible. There were 67 replies indicating a potential attendance of about 105 folks. The committee checked on a number of possible locations for the get-together - finally selecting Dean Hill C.C. (see sketch map). We hope that the setting there will be fitting for this first occasion. Also, we hope it was clearly understood by the first letter that wives, husbands, and friends are cordially invited to share in the fun and fellowship.

A social hour sponsored by a number of companies in the area will kick-off the event at 6:30 P.M. E.S.T., and we will eat about 7:30 P.M. Music will be available for those wishing to shuffle-about. The choice of dinners will be either steak or lobstertail - both, of course, with the usual trimmings.

Since it is necessary to inform the club the number of steaks and tails, please complete the form below and return it to me at U.T.K. before Feb. 26, 1975. Money for the meals will be collected at the door.
